

K-LOVE radio station serves me as a healthy-minded radio station and is totally great "music to my ears" with a lot of unbiased, helpful information, in my community!!!! I notice a lot of people in businesses that air this radio station in their stores or shops, here in Salem, Oregon. I also notice a lot of people that have the K-LOVE bumper sticker on their car, or car window!! It would be missed and really a shame if replaced with some other programming! The service provided by K-LOVE IS NECESSARY because we don't have enough Christian radio, particularly this station, on the air, in this state!! (or the area, here, AND THIS IS THE CAPITAL OF THE STATE!!!!!!) Thank you....phyllis ann branam
